

THE CORPORATION OF THE TOWNSHIP OF HORTON

Joint Committee Meeting
Public Works Committee and Human Resources Committee

February 4, 2011

There was a Joint Meeting of the Public Works Committee and the Human Resources Committee held in the Municipal Council Chambers on Monday February 4, 2011, to interview three short listed applicants for the Casual Equipment Operator in the Public Roads Department. Present were Bob Kingsbury, Chair of Human Resources, Glen Campbell, Chair of Public Works (8:30) and Mayor Don Eady (8:30). Staff present was Jeff Schruder Municipal Infrastructure Manager and Mackie McLaren CAO/Clerk.

1. CALL TO ORDER

Chair Bob Kingsbury called the meeting to order at 8:15 a.m.

2. INTERVIEWS FOR THE CASUAL PART TIME POSITION

8:15 A.M. Scott Powell

8:30 A.M. Carl Wright

From this point on the meeting was chaired by Glen Campbell

8:50 A.M. Arnold Dickson

Following the interviews the committee members and staff discussed the three applicants.

Following this discussion Chair Campbell asked how the call-in will work. Will we alternate call-in or will one be the call-in and the other will be called only if the 1st person is not available. Mayor Eady said that after training, which both people will be required to take, it may show up who the best operator is. It is the best operator who will be called first.

Chair Kingsbury agreed that it is important that we have two stand-by personnel. The CAO/Clerk asked how this Joint Committee wished to make a recommendation for acceptance of two of the three. The Committee agreed that they would recommend to Council that we accept the applications of Carl Wright and of Arnold Dickson based on their experience as snowplough operators and that in the interim the other two councillors be polled for their support. The recommendation will be taken to the March 3 Council Meeting for approval. In the meantime if all five Councillors agree, training will start with the two selected candidates.

3. ADJOURNMENT

Chair Glen Campbell declared the meeting adjourned at 9:25 a.m.
