Staff was given direction to retain Aird & Berlis LLP to send an immediate response to the property owner and advise of the following;

- 3) That the letter of November 16, 2017 stating all encumbrances be removed including the fire pit. Should it not be removed, the township will “fill in” the fire pit as it is a liability if someone walks on the municipal property and falls in it.
- 4) The municipality is public authority of this area they have signed as no trespassing and private property and municipality will initiate steps to bring an application to the courts for a declaration of ownership if deemed necessary; the municipality is the public authority.
