**Phone: 613-432-3211**

**Fax: 613-432-7810**

**(RENFREW, ON)** – After many years of operating out of two different work locations within the Town of Renfrew, on Wednesday February 15, 2017, the Renfrew OPP Detachment will move to their new facility situated at:

410 O'Brien Road, Renfrew, ON K7V3Z2.

To facilitate this move, no administrative services will be available at the Renfrew Detachment while the move is completed. Administrative services will resume on

Thursday February 16, 2017, from the new facilities location on O'Brien Road.

During this transition to the new work location, there will be no interruption to front line policing services and patrol officers will continue to conduct proactive patrols and respond to calls for service. Likewise, there will be no interruption of regular services offered through the Arnprior satellite detachment office.

Also, this move will not affect the telephone numbers used to contact the Renfrew OPP. To report a life threatening emergency or a crime in progress, call 911. If you require police assistance for a non-urgent matter, contact the OPP by calling 1-888-310-1122 or for general inquiries by calling 613-432-3211.

This new facility came about through a partnership between the Province of Ontario and the County of Renfrew. An official opening ceremony will be scheduled for late Spring or early Summer.
