

THE CORPORATION OF THE TOWNSHIP OF HORTON

WASTE MANAGEMENT COMMITTEE

NOVEMBER 16, 2005

There was a Waste Management Committee Meeting held in the Municipal Council Chambers on Wednesday November 16, 2005 to meet with Findlay Barr, who retained the timber rights on the property we purchased from him for the Landfill Site. Present were Bob Kingsbury, Robert A. Johnston and Dave Bennett. Absent Chair Don Eady.

1. CALL TO ORDER

Reeve Johnston called the meeting to order at 8.30 a.m. in the absence of Chair Don Eady.

Reeve Johnston said that it was the suggestion of the Chair of the Waste Management Committee that we meet with Mr. Barr to see if it was possible to purchase the timber rights. It may mean that we may want only part of the timber rights for a specific kind of wood. Mr. Barr said that he had plans to cut some trees down in the past years but has not done it yet. However, if we needed cedar posts, for example, for guard rails of fence posts, go ahead and cut some this Fall. He added that he had not considered selling the rights.

After discussion, Reeve Johnston asked him to consider several alternatives of selling some wood etc. and to contact the Township when he is back in the area again. Mr. Barr agreed to consider this.

2. ADJOURNMENT

The meeting was adjourned at 9:45 a.m.
