### FIRE BAN

The Horton Fire Department has implemented a **TOTAL BURN BAN** until further notice in response to the Ministry of Natural Resources and Forestry restrictions of burning and due to Covid-19.

Fires related to Maple Syrup production that are not producing open flames will be exempt from the ban.

Due to the concerns surrounding the spread of COVID-19, the need for social distancing and to assist in the health, safety and well-being of our firefighters we placed an open-air burn ban as a precautionary measure to avoid any additional strain on our fire services at this time.

We are committed to providing and maintaining emergency response within our communities and we appreciate your cooperation and understanding as we cope with this uncertain and unprecedented situation.
