

Hello Renfrew County and District Municipalities,

Here are some instructions for accessing the RCDHU website:

1. Open up whatever web browser is preferred (whether the person uses Google Chrome, Microsoft Edge, Firefox, Safari).
2. Copy this link into the web browser: <https://www.rcdhu.com/>, it also works if you type rcdhu into Google, and click on the first link.
3. A pop-up will appear, as shown below:

4. If you close the pop-up by clicking the x in the top right corner, then you will see RCDHU's home page.

5. By clicking on the Learn more about COVID-19/ Pour en savoir plus sur la COVID-19 button, you will be brought to our main COVID-19 webpage which is where we post our daily case updates (dashboard). This webpage is where we place all public related COVID-19 information and resources.

#### COVID-19 local cases/Nombre local de cas de la COVID-19

I can always help answer some questions or walk people through the process if required.
